17 Sentencing in this matter is currently set for March 4, 2013. The parties request that
18 sentencing be reset for March 18, 2013 at 2:00 p.m. Last week the defense received copies
19 of several hundred pages of records from the defendant's juvenile and family court files. A
20 defense investigator traveled to Southern California to obtain these records, but the court
21 took additional time to copy the records and send them. The defense needs additional time
22 to review these records and synthesize them so that they can be included in the presentence
23 investigation report and in the defendant's sentencing materials. The assigned probation
24 officer will be available on March 18, 2013.
